SEPTEMBER PROGRAM - Beth Stanton

"Confessions of a Quilt Class Addict"

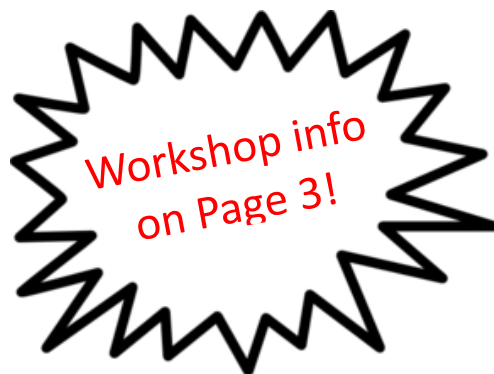

Making her first quilted item in an elementary school club around the time of the U.S. bicentennial, Beth Stanton has been quilting to some degree for about 40 years. Her interest in quilting became a passion (or maybe it's an obsession) after she joined her local quilt guild in 2003 where she began to see all the incredible possibilities. Beth Stanton will present the lecture, "Confessions of a Quilt Class Addict," which features some of the quilts she has made in the many, many classes she has taken over the years. Each class has improved her skills and added to her quilting toolbox. She admits that she was lukewarm on some of the classes she signed up for, but now has an eclectic collection of quilts to share that illustrate a wide variety of methods and styles. In addition to class projects, Beth will include personal projects that grew out of those learned skills. She states that she is not married to a single style or technique; however, Beth really does like using Patt Blair's method for inking quilts. She loves paper piecing, too!

Prior to the meeting, please gather for the opportunity to meet Beth Stanton at Camille's Sidewalk Café, 44140 20th St. West, Lancaster. See you at 5:00 pm prior to the general meeting!

The workshop will be a Quilted Carry Bag taught by Corey Starkey from Bakersfield. The wallet class was canceled due to the teacher taking an unexpected job in Louisiana. She was willing to fly back for the class, but we felt it was an undue hardship on her to make that sacrifice. We'll meet at Trinity Community Church, 45361 N. Trevor, Lancaster, CA.

SEPTEMBER WORKSHOP - QUILTED CARRY BAG COREY STARKEY

Corey Starkey will teach our workshop on a Quilted Carry Bag. It is a dual purpose bag that can be used to carry quilts or can be taken to outdoors events, opened out and used as a quilt. It would be a great gift for a little one who does sleepovers. It's perfect for carrying a sleeping bag or pillow and pajamas. It closes conveniently with magnetic strips and opens up to wrap around you or to sit upon. It would be great to store a quilt you're giving as a gift. After you've learned the process, you can adjust the size and make it smaller as well.

August President's Message

Hello Fellow Quilters,

Last month, we enjoyed ice cream made by Carolyn Lundie. We had fun visiting with each other.

The guild can still use your help. We have positions on the board that need filling. If you can spare some time to help the guild out, let me know.

I also need your help with one more thing. I need the meeting to run smoother and be shorter especially when we have a speaker. If you want to get up and speak at the meeting, you need to let Coral Brown know ahead of time. She is our secretary, and she writes the agenda for the meeting. If you are not on the agenda, you will not be able to speak. I am also asking if you are on the agenda and you speak, please keep it short. After all, we come to hear the speaker, so let us take care of business so we can get to the speaker faster. I appreciate your attention to this matter. The last favor I am going to ask (and this is a big one), when we are up there running the meeting, can we keep the talking to a minimum. It is distracting to those who want to listen. Some of you speak rather loudly, and after all I am miked. The room is rather dead as far as acoustics go. So please be polite during the meeting. You can visit during the break.

We have quite a few new members sign up recently. Please be sure to make them feel welcome. Our wonderful membership co-chairs, Pat and Sue, are doing a very good job. If you are interested in joining a friendship group, please speak to Pat Crook.

One more thing: We have a beautiful opportunity quilt donated by the very talented Peggy Vachon. I need a person or a group to be responsible for taking the quilt around to promote it. We need to start selling tickets now. The quilt is not only a fundraiser, but it helps promote our group. Please, if you are interested, speak to me. Thank you again for your support and help.

Yours in quilting,
Cheryl Nieman, AVQA President

Philanthropic

Thank you to everyone who turned in quilts and/or took kits at the August meeting. Also thank you to all the ladies who came to the August Open Sew and helped with even more philanthropic quilts.

We were able to donate 33 quilts this month! That is really outstanding. Let's keep it up!

At the September meeting, there will be quilt kits and quilt tops available. At Open Sew, we were able to cut batting and backs and made 29 more quilt kits so there is a big need for quilting. There are many that are small and easily machine quilted on your home machine. And

there are plenty of larger ones for those of you who quilt on your home machine with no problem (I am in awe of those folks!) or quilters who have long arms. We really need people to quilt some tops! Thanks everyone.

Please be sure to bring back your completed philanthropic quilts to the meeting. Each quilt effort (piecing, quilting, or binding) will earn you tickets for a drawing for your choice of a bali pop, jelly roll, or layer cake. Three tickets will be awarded for a quilted quilt, two tickets for a pieced top, and one ticket for completing a binding. If you do the entire quilt, you will get 6 chances to win a prize!

We have a lot of fabric, but always welcome donations of fabric – especially novelty prints and flannel for backs. At the August meeting, I asked for donations of flannel for backs or volunteered that I could buy the flannel if anyone wanted to make a donation. I left the meeting with \$50 donated towards backs. Thank you so much. Coral Brown also received a generous \$200 donation from a member. Thank you so much!

We are looking into scheduling more group sewing efforts so more to follow on that. For now the only thing firmly scheduled for Philanthropic is that the November Open Sew will be dedicated to our charity quilts. Please plan on attending!

If you have any questions, please contact Michele Cameron at quiltsnob@hotmail.com.

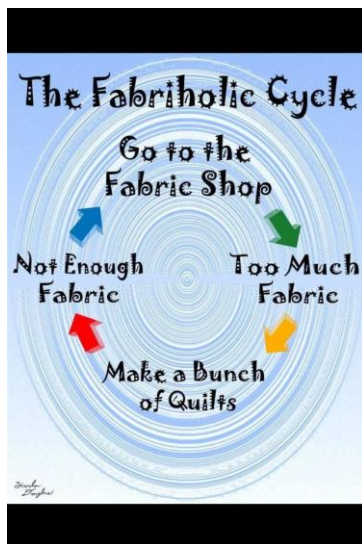

Are you a Fabriholic?

There might be help for you!

This is a self-test to determine if you are truly addicted to fabric or just a small time collector.

Check all that apply.

- ___ You subscribe to two or more fabric related magazines. (Yes, quilting magazines count.)
- ___ Every bed in the house has fabric stored underneath it.
- ___ You tell the salespeople at the fabric store to mind their own business when they ask you what you are planning to make with your fabric purchase.
- ___ The trunk of your car has fabric that you are waiting to bring in when no one is looking.
- ___ You could make outfits for the entire cast of a large Broadway musical from your fabric stash.
- ___ You buy fabric when it is on sale even though you have no idea what you will use it for.
- ___ You buy fabric when it is on sale when you don't really like the fabric.
- ___ You buy fabric because you don't have any fabric in THAT color.
- ___ When you go to quilt shows, you find at least one fabric in each quilt that you have in your collection.
- ___ Even when you have no money to buy fabric, you are compelled to go to fabric stores just to touch.
- ___ You have a 6-tier chrome shelving unit, filled with fabric, which serves as added insulation from cold weather.
- ___ You would rather shop for fabric than take a cruise to the Bahamas. (Unless there were fabric stores available on the boat, of course.)
- ___ You feel sewing with enthusiasm is good therapy. No need for anti-depressant medication.

IF you checked two or three of these questions, you are a borderline fabriholic. If you checked at least four, you are a member in good standing. If you checked five or more, you are worthy of the title "Fabric Queen," or "Fabric King," as the case may be. (Not all fabric collectors are women, you know!) How many did you check???

Tip of the Month

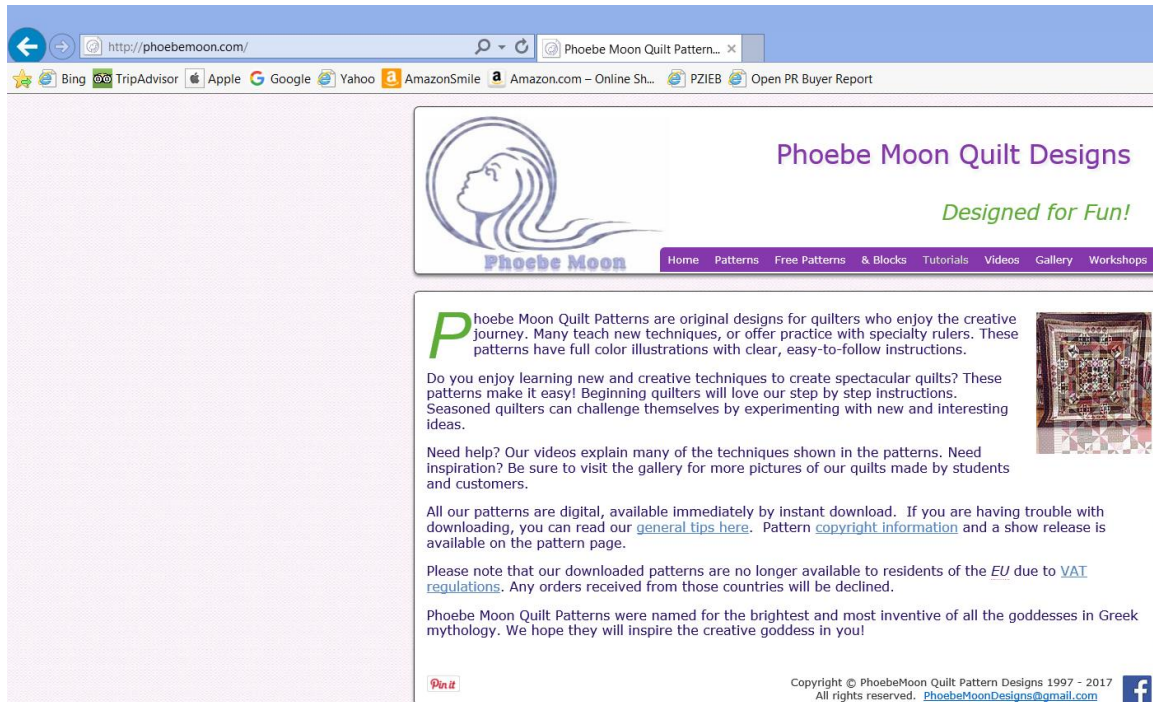

17 Quilting Supply Storage Tips

<http://www.hgtv.com/design/make-and-celebrate/handmade/17-quilting-supply-storage-tips>

There are 17 tips in this article.....check out the link for the ones that wouldn't fit in the newsletter!

1. Store thread spools in clear plastic egg cartons. These are also great for stacking.
2. Cut strips from inexpensive vinyl/cling wrap and wrap it around a thread spool and bobbin to keep the thread from unraveling.
3. Buy medium and large pizza boxes for storing quilt blocks. They're easy to stack and your blocks are organized. They work especially well if fabric is cut on the bias and handling it repeatedly can cause distortion.
4. Buy a flannel-backed vinyl tablecloth from a dollar store or buy flannel-backed vinyl at a fabric store and hang a portable flannel wall near the ceiling with grommets and small finishing nails.
5. Cut out large pieces from a flannel-backed tablecloth, lay quilt blocks on them and roll them up for storage.
6. Use a pants hanger to hold your pattern book to keep it from getting lost under fabric. Hang the hanger on a bulletin board or a nail in the wall.
7. Make a pin holder from a recycled breath-mint box and magnetic sheets. Magnetic sheets can be purchased at a craft store.
8. Store sewing tools in a silverware basket from an old dishwasher, and hang it on a pegboard. A revolving pencil holder is also great for tool storage.
9. Use trading-card dividers for needle storage and place them in a binder. Insert needles into felt or muslin squares that have been cut to the size of the dividers. The holders can also be used to store fabric swatches.
10. Store a thread spool in an old prescription bottle to prevent the thread from tangling. Burn a hole in the lid with a hot nail for ease in controlling the thread. Bobbins can also be stored this way, and prescription bottles also work for discarded needles, lessening the chance that they'll get lost in the carpet.

Each month, we'll feature a quilting website. This month it is "Phoebe Moon Quilt Designs" website! <http://phoebemoon.com/> This website has a lot of design patterns for sale but it is also chock full of quilting tidbits and information and even has some video tutorials. Interesting source of quilting information!
